Frequently Asked Questions

How Does the Premium Plan Work?

The Premium Plus plan works similar to many insurance plans on the market. You pay a monthly membership fee for discounts on your dental expenses. The plan is designed to cover preventive services such as cleanings and oral exams. This provides coverage that can be budgeted at an affordable monthly expense while receiving excellent discounts for your higher cost dental service.

Who administers the Plan?

The office of Dr. Paul Rosel administers the plan and works with you, the patient directly, to make all dental service decisions. There is no need to contact a 3rd party company for information. All questions regarding plan coverage, verifying benefits, changing coverage types, or any other questions should be directed to us here at Rosel Dental.

How does Specialty Dentistry work with the Plan?

Dr. Paul Rosel may refer a patient to a specialist that participates in the **Rosel Private Dental Plan**. Members must verify the specialist's participation in the Network prior to accepting treatment. Your dentist will have a complete listing of participating specialists.
